Make the games you want to play! Our standard class for grades 3-5 is open to all experience levels. Students will bring their own ideas for the games and animations they wish to create, and our teachers will guide them towards their goals. A variety of challenges will supplement each coder's own projects, which they'll get to show in a presentation at the end of the class!

Beginners will spend the first few lessons learning the basics of coding and how to use Scratch before diving into their own projects. Our classic Creative Coding experience is designed to be repeated as many times as desired, as each student continues to hone their skills through the individual assistance of our awesome instructors! **3<sup>rd</sup> – 5<sup>th</sup> Grades. Class Minimum: 10. Maximum: 14.**

TGA Premier Youth Tennis is bringing the tennis court to Laurelhurst! TGA, in national partnership with the United States Tennis Association, co-designed a tennis enrichment program that focuses on athletic, academic and character development for children. The TGA curriculum uses tennis equipment that is modified to be size appropriate and safe, so we can turn the school gym into a tennis court. In addition to professional tennis instruction, your child will take part in a combination of physical fitness for health benefits and academics such as math, science, language and social studies for educational development. Every class focuses on social interaction, developing positive character traits and most importantly having fun! TGA's mission is to empower our students with the tools to be successful on the tennis court and in life. **K-5<sup>th</sup> Grades. Class minimum: 5. Maximum: 22.**
